There is approximately 250 miles in Wisconsin. Bicycling is 2nd most popular outdoor activity 40% of adults in U.S. ride bicycles. 47% of Americans would like more bike facilities. Mr. Schelfhourt would like to know if the Village of Dickeyville would like to support the designation of the Mississippi River Trail with the limits of the Village of Dickeyville. The board talked it over and they would like Gantenbein to sign the resolution. MOTION: Redfern and Kuepers to pass the resolution for the Mississippi River Trail. Approved.

A RESOLUTION TO SUPPORT THE DESIGNATION OF THE MISSISSIPPI RIVER TRAIL WITHIN THE LIMITS OF THE VILLAGE OF DICKEYVILLE.

WHEREAS bicycle tourism is a growing industry in North America, contributing \$47 billion a year to the economies of communities that provide facilities for such tourists; and

WHEREAS the Mississippi River Tail is a national bicycle route, along the length of the Mississippi River, through ten states, from the headwaters of Lake Itasca to the Gulf of Mexico; and

WHEREAS the Mississippi River Tail was designated as one of only 16 National Millennium Trails which honor the past and imagine the future by preserving and commemorating major events and aspects of America's history and culture; and

WHEREAS the Mississippi River Trails provides access to and promotes the scenic, historic, archaeological, cultural, recreational and natural qualities of the Mississippi River and its amenities; and

WHEREAS the Mississippi River Trail is located primarily on the Wisconsin All-American Great River Road National Scenic Byway (WIS 35) between Prescott and Illinois State Line, but also routed on other state and county highways, local roads or alternative routes for bicycling; and

WHEREAS the Wisconsin Mississippi River Parkway Commission and the Village of Dickeyville, with the cooperation of the Wisconsin Department of Transportation, Wisconsin Department of Natural Resources and other stakeholders, have proposed a specific route to be designated as Mississippi River Trail; and

WHEREAS the Mississippi River Trail implements Wisconsin Statutes Chapters 1.11, 84.01(35), 84.02, 349.23 and Wisconsin Administrative Code Chapter Trans 400 which required that "due consideration to establishing bikeways and pedestrian ways in all new highway construction and reconstruction projects", and

WHEREAS the Mississippi River Trail adds value to existing roads and trails; and

WHEREAS the Mississippi River Trail is largely ready to sign and market, and many suggested improvements are already planned; and

WHEREAS the Mississippi River Trail will contribute to sustainable economic development is 33 Wisconsin Mississippi River communities, and

WHEREAS the proposed route for the Mississippi River Tail comes through the Village of Dickeyville and can therefore provide a benefit to our residents and businesses, and

WHEREAS the Mississippi River Trail will provide increased recreational and transportation choices for individuals to enjoy the outdoors as well as provide health, economic, and quality of life benefits, and

WHEREAS the Mississippi River Trail continues Wisconsin's tradition of honoring and enhancing the Mississippi River by offering multiple bicycling experiences, each in a unique river landscape; and

WHEREAS we have investigated the proposed route and found it to be a suitable route, and desire that the route be designated so that it can be mapped and signed, thereby promoting bicycle tourism in our area; and

THEREFORE, BE IT RESOLVED, that the Village of Dickeyville in order to receive full benefit of the Mississippi River Trail, hereby expresses its approval and support for the development of the Mississippi River Trail, and requests that the appropriate officials see to it that the route is officially designated along the following segments within the limits of the Village of Dickeyville.

I ordered a new ballistics vest (bullet proof vest) estimate cost is \$900.00. We currently have \$3400.00 left to use of the Wisconsin Police Grant issues to each police department across the state. We have purchased a new body camera, duty gear and the Flock Camera equaling approximately \$3500.00 of the \$7,000 grant. The village has been reimbursed \$3500.00 as of this meeting. I request the Village consider Lexipol Solutions for the Police policy updates and continued educations. Lexipol is used by Cuba City, Hazel Green, Platteville, Muscoda and Grant county Sheriff's Department. Lexipol does the legal work to update and provide legal training and documentation of the updates and training. It provides up to date professional policy to meet state statues.

- 10. PUBLIC WORKS REPORT:
- 11. WPDES Permit reissuance: EPA & DNR have been collaborating on the chloride variance that we applied for in the reissued WPDES permit. This is the permit which allows Dickeyville to discharge into the Platte River Watershed. I have to sign off on their requirements by March 15th. The new permit is on hold because of this. Most of the items that are listed are within reason. Another item that we would agree to is to purchase a portable sampler that could be installed in various locations (manholes) around the village. Doing this would give us a better feel for possible high chloride contributing areas. We found a sampler unit that would cost about \$2000.00. This would be a two-year study and there would be of course more labor and testing costs. I will forward the e-mail from DNR so you can see all that they want us to do. Any comments would be appreciated prior to me signing off on this March 15th.
- 12. We had a water main break during the last village board meeting and that is why Luke and I missed it. It seems to snow about every Thursday for some reason causing garbage and recycling issues. 9" snow on 2-9, and the ice storm on the 22nd was the worst I ever saw here. About 1" of ice.
- 13. A change order came over my desk for about \$3000.00 to move a water line in the main building at the WASTE WATER TREATMENT PLANT. Luke said he could do it so I thought why not? Cost a couple hundred dollars for materials and Luke's labor to do it so it was a good decision to let him do it.
- 14. Luke has been dismantling the office area at the Crawford Building to make it more efficient. There is a lot to do but he is making great progress.

15. Well #1 was pulled for maintenance 2-7 by Peerless Well & Pump. I don't know what will all have to be done yet. I wanted to beat the N. Center Street project so they would not be in each other's way. Next year we need to look at rehabbing well #2 on S. Main St.

CLERK'S REPORT:

- Need to look into the snow removal on sidewalks for the 20223-2024 season.
- Summer help I will be placing an ad in the Tri-County Press.
- The Community Center Automatic Door System is not working and I had the company come and look at it they quoted me around \$400.00 to replace the mother board in the system. They suggest that is where we need to start to see if the board is bad. MOTION: Ginter and Redfern to replace the mother board in the system and see if that is what was wrong. Approved.
