2. Section 11.01 is repealed and recreated to now read as follows:

11.01 Building Inspector (Adopted August 9, 2023)

  - A. The Village Council shall appoint a Building Inspector who shall enforce the provisions of this Chapter and all other ordinances which relate to building construction and for these purposes he may at all reasonable times enter buildings and premises. In the event that the Inspector is refused access to any such premises, then the Inspector is authorized to apply for a special inspection warrant pursuant to Section 66.0119, Stats. With the consent of the Council, the Inspector may appoint one or more Village employees or officials as Deputy Building Inspectors, and may delegate to them the above-mentioned powers and duties, but such appointment shall not carry with it any increase in salary or wages.
  - B. Section 3 – Certified Municipality Status.
    - 1) The Village hereby adopts the Certified Municipality Status as described in SPS 361.60 of the Wisconsin Administrative Code.
      - a) Responsibilities. The Village shall assume the following responsibilities for the Department of Safety and Professional Services (hereinafter “Department”):
        1. Provide inspection of commercial buildings with Certified Commercial Building Inspectors.
        2. Provide plan examination of commercial buildings with Certified Commercial Building Inspectors.
      - b) Plan Examination. Drawings, specifications, and calculations for the types of buildings and structures, except state-owned buildings and structures, to be constructed within the limits of the Village shall be submitted, if the plans are for any of the following:
        1. Provide inspection of commercial buildings with Certified Commercial Building Inspectors.
        2. A new building or structure containing less than 50,000 cubic feet of total volume.
        3. An addition to a building or structure where the area of the addition results in the entire building or structure containing less than 50,000 cubic feet of total volume.
        4. An addition containing no more than 2,500 square feet of total floor area and no more than one floor level, provided the largest roof span does not exceed 18 feet and the exterior wall height does not exceed 12 feet.
        5. An alteration of a space involving less than 100,000 cubic feet of total volume.
        6. The certified municipality may waive its jurisdiction for the plan review of a specific project or types of projects or components thereof in which case plans and specifications shall be submitted to the Department for review and approval.

7. The Department may waive its jurisdiction for the plan review of a specific project, where agreed to by a certified municipality in which case plans and specifications shall be submitted to a certified municipality for review and approval.
- c) Plan Submission Procedures. All commercial buildings, structures and alterations including new buildings and additions less than 25,000 cubic feet requires plan submission as follows:
  1. Building permit application
  2. Application for review – SBD-118 or equivalent
    - a. Fees per Table SPS 302.31 and 302.31-2
    - b. Fees applied to commercial projects
  3. Four sets of plans
    - a. Signed and sealed per SPS 361.31
    - b. One set of specifications
    - c. Component and system plans
    - d. Calculation showing code compliance
3. Section 11.10 is repealed and recreated to now read as follows:
 

11.10 Penalty (Adopted August 9, 2023)

  - A. Except as otherwise provided for herein, every person, firm or entity which violates any provision of this Chapter may, upon conviction, forfeit not less than \$25.00 nor more than \$100.00 for each day of non-compliance together with the costs of prosecution.
  - B. Violations discovered by the Building Inspector shall be corrected within 30 days, or more if allowed by the Inspector, after written notice is given. Violations involving life safety issues shall be corrected in a reasonable time frame established by the Building Inspector.
  - C. Compliance with the requirements of this ordinance is necessary to promote the safety, health and wellbeing of the community and the owners, occupants and frequenters of buildings, therefore violation of this ordinance shall constitute a public nuisance and may be enjoined in a civil action.
4. **Severability.** If any portion of this Ordinance or its application on any person or circumstances is held invalid, the validity of this Ordinance as a whole or any other provision herein or its application shall not be affected.
5. **Effective Date.** This Ordinance shall take effect on \_\_\_\_\_ 2023.

Rescue Squad calls from January 1<sup>st</sup> thru June 30, 2023 were 126 calls and they saw 141 patients. The break down by zip code is as follows: 43 from 53811, 13 from 58312, 40 from 53808, 29 from 53807, 13 from 53820, 3 from 53818. The Dickeyville Rescue Squad has 32 members and 21 met the criteria that the Squad set up for the members. This would be a payment to the Rescue Squad from the Village for \$4618.25. We had approved the payment to the Squad in the November 9, 2022 Regular Board Meeting. If you are interested in joining or learning more about the Dickeyville Rescue Squad please call Dallas Dietzel at 563-580-0130. Rescue Squad will have their annual budget meeting is September 20, 2023 at 7:00 p.m. at the Dickeyville-Paris Fire & rescue Bu8lding. Public is welcomed.

DISCUSSION AND POSSIBLE ACTION ON: Chief Trost was not at meeting. He had asked if the Village would amend Chapter 117 Entitled “Building Construction: To add section 117-9 entitled “Fire Department” to the Village of Dickeyville Municipal Code. MOTION: Kingeter and Ginter to amend Chapter 117 Entitled Building Construction to add section 117-9 entitled “Fire Department” TO THE Village of Dickeyville Municipal Code. Approved.

**ORDINANCE NO. 2023-1**

**AN ORDINANCE TO AMEND CHAPTER 117 ENTITLED “BUILDING CONSTRUCTION” TO ADD SECTION 117-9 ENTITLED “FIRE DEPARTMENT”, TO THE VILLAGE OF DICKEYVILLE MUNICIPAL CODE.**

NOW, THEREFORE, the Village Board of the Village of Dickeyville, Grant County, Wisconsin, does ordain as follows:

**SECTION 1:** Chapter 117 entitled “Building Construction”, Section 117-9 entitled “Fire Department” of the Village of Dickeyville Municipal Code shall be and hereby is added:

**§117-9 Fire Department.**

- A. Intent of Code. It is the intent of this code to enforce regulations with national and state recognized fire protection codes. The primary intent of the code will be the safeguarding of life and property from the hazards of fire, smoke and toxic fumes within the jurisdiction of the Dickeyville-Paris Fire Department.
- B. Adoption of Orders, Codes, rules and Standard Operating Guidelines. All provisions of the National Fire Protection Association (NFPA) Codes and Standards dealing with building design, construction, operation, and maintenance requirements are hereby adopted by reference, most specifically NFPA 1 “Fire Code” and NFPA 101 “Life Safety Code.”
- C. Authority to Enter Premises. Dickeyville-Paris Fire Department personnel may, during reasonable hours, enter any building or premises within the jurisdiction of the department for the purpose of making any inspection or investigation under the auspices of the NFPA codes. Private dwellings shall not be entered without the consent of permission of an adult occupant and do not typically fall within the purview of the fire department.
- D. Inspection of Buildings and Premises with the Jurisdiction of the Dickeyville-Paris Fire Department.
  - (1) The fire chief shall ensure that all buildings and premises that fall under the purview of the fire department are inspected as often as may be necessary to ensure compliance with all codes. Typically, the timeframe to inspect businesses within the jurisdiction of the Dickeyville-Paris Fire Department shall be:
    - (a) Inspections within the Village of Dickeyville shall be conducted at least once per calendar year. For businesses with a history of habitual violations, the Fire Chief may deem it appropriate, for the safety of the public, to inspect certain businesses more frequently.
    - (b) Penalties for non-compliance. The first fire inspection to any business is considered to fall under the State of Wisconsin’s 2% dues program. However, any follow-up or subsequent inspections fall outside the parameters of the 2% dues program. As such, if any noted fire code violations are not corrected within the timeframe noted on the inspection report, the Deputy Chief shall send a reminder letter to the Business at no additional charge. If the business still does not prove compliance by informing the fire department, and a subsequent visit by fire department personnel is necessary, the charges for such visits are as follows:
      - 1. 2<sup>nd</sup> visit after reminder letter: \$50.00
      - 2. 3<sup>rd</sup> visit, if necessary: \$100.00
      - 3. If still no compliance after the Three-Strike Rule (refer to Section E below), the business owner will then be issued a citation.
- E. Three-Strike Rule.
  - (1) Any business identified with a fire code violation will typically have 30 days to correct the deficiencies. NFPA 101 Life Safety Code violations that present a significant threat to life must be corrected immediately. The time frame to correct deficiencies will be identified in the inspection report or through correspondence from the deputy fire chief. Any fire code violation not corrected within the specified time allotment will be warned again and 15 days will be given to correct non-Life Safety Code violations. Failure to correct the identified violation after the second notice will result in the application of Section D above.
  - (2) After a citation is issued by the fire department, the violator will work with the village attorney’s office.
  - (3) Each day the violation goes uncorrected after the citation has been issued will constitute a separate violation.
- F. New Construction Permits
  - (1) Any new construction in the Village of Dickeyville will take out a permit with the building inspector’s Office. At such time, the building inspector’s office will notify each individual inspector (building, electrical, fire, and plumbing) of the new construction.
  - (2) This tracking mechanism will allow any new construction within the Village of Dickeyville to be placed on the fire inspection list in an expeditious manner.
- G. Knox Boxes. All new commercial construction within the Village of Dickeyville will be required to place a Knox Box on the outside of the structure that is accessible only to the fire department in the event of any emergency.

Applications may be obtained at the fire station or Village office. Contractors may contact the fire department to request a recommended location for the Knox Box.

**Section II:** This Ordinance shall take effect upon its passage and publication or posting as required by law. All other sections of the Village of Dickeyville Municipal Code not specifically amended under this ordinance shall remain in full force and effect as drafted.

Adopted and approved this 9<sup>th</sup> date of August 2023, by Village Board of the Village of Dickeyville, Grant County, Wisconsin.

Continue to receive parking complaints from across from Kuepers. Trucks park in the marked lined parking stall but are too long. Maybe a "No Truck Parking Sign"? One male arrested at Kuepers Park on Monday August 7, 2023 at 4:00 p.m. for possession of methamphetamine and Probation Warrant. Grant County K-9 assisted. Continue to receive complaints reference Loras empty lots not being maintained. I have spoken with both, management and Chris Fields. The lots have been cut with a brush mower but no trimming within 6-8 feet from curb.

#### PUBLIC WORKS REPORT:

1. Our annual water system testing has been completed unless DNR wants us to do more PFAS testing but I don't think they will.
2. Street repairs have been completed where water breaks occurred or a general failure was evident. North Avenue was chip sealed from N Church to N Main.
3. 10 more sealed manhole lids were purchased but we still need eight more to finish the job.
4. North Center Street project is going along smoothly. Water tie ins are to begin next Monday August 14<sup>th</sup>. We have to turn water off for a substantial amount of town and it will be most of the day.
5. Luke and I have been working on the list of contingency items for the sewer department including the purchase of a new truck, ice machine, automatic sampler for manholes to mention a few.
6. We may want to explore land purchase options for future upgrades to the WWTP.

#### CLERK'S REPORT:
