ADDENDUM A
Dickeyville Industrial Park
Access Restriction Removal
Dickeyville, Wisconsin

Description

The “No Highway Access Allowed” restriction described and shown on the Final Plat of the Dickeyville Industrial Park completed under Economic Development Administration Project #06-79-06287 and recorded under Document #820731 located in the Southwest Quarter (SW 1/4) of the of the Northwest Quarter (NW 1/4) and the Northwest Quarter (NW ¼) and the Northwest Quarter (NW ¼) of the Southwest Quarter (SW ¼) of Section 26, and in the Southeast Quarter (SE ¼) of the Northeast Quarter (NE 1/47) of Section 27, Township 2 North, Range 2 West, Village of Dickeyville, Grant County, Wisconsin, is hereby amended to remove the “No Highway Access Allowed” restriction on the following properties:

Lot One (1) and Lot Two (2) of the Dickeyville Industrial Park Final Plat.

9. DISCUSSION AND POSSIBLE ACTION: for Territorial guideline, zoning. Attorney Wood and Jordan from Delta III will need to get together on the map of Dickeyville and we will have this on the agenda for the July meeting.
10. DISCUSSION AND POSSIBLE ACTION: for Hotel Taxes: Gantenbein will talk with the Village Attorney and we will discuss this at the July meeting.
11. DISCUSSION AND POSSIBLE ACTION ON THE ELDERLY HOUSING PILOT PAYMENT: The Pilot has not changed since 2003. This is in leu of Taxes. Mr. Foote explained to the board that Sun Valley is an entity on its own, Becky Kienzle is the only person that collects wages for managing the building, everyone else does this on a volunteer basis. They left DAC go a couple of years ago. We are trying to update all the apartments without having to raise the rent on the residents. If we raise it to high we will hurt the people that are living there. We have all apartments rented except for one. That has not happened in a long time. Gantenbein suggested that the raise the Pilot from \$135.55 per unit to \$145.00 per unit. The Agreement would be looked again in three (3) years, not five (5) years. Kienzle stated that would be okay. MOTION: Redfern and Ginter to raise the Pilot to \$145.00 per unit which would be \$3190.00 per year. Donna will have the Agreement typed up and sent to Kienzle. Approved.
12. DISCUSSION AND POSSILBE ACTION: on turning water off for residents who have to replace the valve in their homes. Dave Splinter had to have his water shut off at the curb and he didn't think he should have to pay for the service. The board discussed this and according to the PSC. In the Public Service Commission of Wisconsin states, Reconnection Charges. The utility shall assess a charge to reconnect a customer, which includes reinstalling a meter (if damaged by homeowner) and turning on the valve at the curb stop, if necessary. A

utility may not assess a charge for disconnecting a customer. This is Sheet No. 1 of 1 Schedule No. R-1 Amendment No. 19.

13. DISCUSSION AND POSSIBLE ACTION: on Fryberger Law Firm to act as Bond Counsel for the Clean Water project (DNR) and resolution making declaration to reimburse expenditures for the Sewer Treatment Project. MOTION: Ginter and Leibfried to accept Fryberger as our Bond counsel for the Clean Water Project. Approved.
14. DISCUSSION AND POSSIBLE ACTION: on Amendment No. 1 for Sewer Upgrade and for the CWFP project budget. Have we checked the cost to make sure they are all right? Dale stated that cost was all right. MOTION: Brandt and Busch to have Gantenbein sign the Amendment No. 1 and sign the CWFP project budget.

The last month has been busy with drug contacts and arrest. Duane arrested 4 people in 2 shifts for warrants, possess meth, and possess thc and another 2 are being referred to the District Attorney's Office for Domestic Abuse. On a separate date I stopped a vehicle for driver known to not have valid DL and located THC and drug Paraphernalia. The motel and one private residence appear to be attracting more unfavorable patrons recently. Duane and I spoke in length with the hotel owner with our concerns.

Grotto requested advice reference tour bus parking and unloading during the summer. Grotto is going to put up temporary no parking signs when a tour bus is planned to stop in attempt to avoid the bus stopping and unloading in the lane of travel.
